

ICC T3Y 100

Product sheet

MADE IN
FRANCE

ICC T3Y 100 is central speaker/tweeter kit designed for drivers who want to replace their factory audio system with a high-quality solution by Focal that is fully compatible with the relevant Tesla models. The central speaker is fitted with the Flax® cone, an exclusive Focal technology, that delivers ultra-realistic sound. The inverted dome tweeter, another Focal technology, delivers perfectly spatialised treble. Designed and manufactured in France, the Tesla-compatible Focal Inside range allows an à la carte/personalised audio system configuration and hugely improves the in-car listening experience.

Key points

- Developed and manufactured in France
- High-fidelity sound
- Compatible with Model 3 and Model Y
- Quick and easy to install with no modifications to the vehicle required
- Perfect integration into the cabin
- Installation tutorial video available on focal-inside.com and youtube.com

Check your car compatibility at www.focal-inside.com
