

# IS T3Y 100

## Product sheet

MADE IN  
FRANCE

IS T3Y 100 is a 2-way component kit designed for drivers who want to replace their factory audio system with a high-quality solution by Focal that is fully compatible with the relevant Tesla models. It improves the front channels. The speaker drivers are fitted with the Flax® cone, an exclusive Focal technology, that delivers ultra-realistic sound. The inverted dome tweeter, another Focal technology, delivers perfectly spatialised treble. Designed and manufactured in France, the Tesla-compatible Focal Inside range allows an à la carte/personalised audio system configuration and hugely improves the in-car listening experience.

### Key points

- Developed and manufactured in France
- High-fidelity sound
